

St. Mary's Strings

Come join us for Strings Class!

Strings classes at St. Mary are a great introduction to violin, viola or cello or the opportunity to further your skills if you already have experience.

Each class is designed around the ability of the students so they can be challenged at the level of their playing.

These classes are offered to grades K-8. Each grade meets once a week during lunch/recess. The children come to the music area, eat lunch together, and then play their instruments. We work on basic techniques, learn fun songs, and play musical games. There will be performance opportunities during the school year.

Grades: **K through 8**

Cost: **\$500.00**

Time: PGC begins Tuesday, September 17, 2019 - May 2020 (27 classes)

UGC begins Thursday, September 19, 2019 - May 2020 (27 classes)

In order to complete the registration process, a check made payable to **the School of St. Mary** must accompany the registration form. The form and check should be returned to either school office, attention Kathleen Trkla. **Families must pay for activities prior to student attendance.** Families must be current with their tuition and fee payments in order to register for extracurricular activities.
